Dividend Paycheck Mastery

Your Quick-Start Guide

How to Get Started

Inside this quick-start guide to Dividend Paycheck Mastery you are going to learn exactly how to get started quickly and easily with Dividend Paycheck Mastery.

Your Checklist

- STEP #1:** Make sure you've reviewed the training videos and documents inside the DPM section of your members area.
- STEP #2:** Utilize dividend growth investing and reinvest your dividends into more dividend paying companies.
- STEP #3:** Look for the best dividend paying stocks for you and your situation. Review the 56 DPL cheat sheet as a guide in your members area to start.
- STEP #4:** When in doubt follow Warren Buffett's advice and just use low cost index funds. An example would be the Vanguard 500 index. [You can see the details on their website here.](#)
- STEP #5:** Track your progress/net worth every single month with the ETD system or something similar. There is an example ETD spreadsheet in both Excel and Numbers for you inside the members area.
- STEP #6:** Be patient dividend investing takes time, however, in the long-term it can be a huge asset for you, your family and your legacy.
